

PARTIDO DEMOKRATIKO PILIPINO LAKAS NG BAYAN PDP LABAN

29 August 2021

STATEMENT ON THE ALLEGED “PDP LABAN MEETING”

It's a 'comedy'.

Sen. Koko Pimentel has no position in the PDP Laban. He is irrelevant and he does not represent the party. His group are pretenders and are attention seekers.

President Rodrigo Roa Duterte is the PDP Laban party Chairman. He remains to be so and will continue to be so.
